## The Buzz...

*"I love that somebody is listening to us while they're walking and getting their exercise. If you don't know where to start Walking is a great place to start moving your body, your blood is*

*getting circulated through your body... It's a jumping point to the next place.*

*To anybody listening, just know that whatever your starting point is you can do this and even a five minute walk is you trying."*

## Will Ontiveros

E! Network TV Producer  
Mentor, **Revenge Body** by Khloe Kardashian
